

As we mark the milestone of our first year in Mexico, our ministry continues to expand.

### PASTOR TRAINING IN PANAMA

This month we began training in our 8th nation. Working together with Pastor Charlie Parish and his team from Foothills Community Church in Marble Hill, we provided theological training to 16 pastors and church leaders. We were enthusiastically received- and even asked if we could return next month! The event was life-impacting for both our Panamanian family and our team.

#### WHAT'S IN THIS ISSUE:

- Panama Pastor Training
- Ministering Locally
- Reaching the World
- Upcoming Events

**A widow and her family receive help.**

### Helping Local Families

This month, we partnered with two local congregations to reach into the community by bringing some basic necessities to widows and their families. Many of these poor families live in makeshift houses with no electricity or running water. To date, we have provided needy families with over 3000 meals! We also continue to provide vocational training and after-school tutoring to help these families learn skills that enable them to support their families better in the future.

Go ye into **all** the world... Mark 16:15

## Ministering to Many Nations

Hunger for God's Word is not limited to Spanish-speakers in Puerto Morelos. Our English-language ministries involve families from the U.S., Canada, Germany, Slovakia, France, and the Netherlands. Not only do we offer Bible studies twice a week, but we also offer opportunities for these fellow believers to minister within the community.

## Welcome Home, Toño!

Members of our expat church helped provide a "welcome home" party for Toño and his mother. We will continue to monitor his recovery. Keep him in your prayers as he prepares to attend school for the first time at the age of nine.

Alan is obviously not in the mood to "monkey around"

## Upcoming Events

- **Trip to the States:** We will be flying to the U.S. for our bi-annual Board Meeting in June. During our short visit we will be scheduling medical exams, renewing driver's licenses, and visiting our kids and grandkids.
- **Hosting a Mission Team:** July kicks off with a team from Hope Fellowship in Cumming who will be working with kids in the community.
- **Pastor Training:** Plans are currently being made for more classes in Honduras and Panama.

Please pray for us as we minister in Mexico!
