

Living Faith Ministries International Wishes You a

Merry Christmas!

December is a busy month in Mexico! In cooperation with Bible Fellowship of Puerto Morelos, we are distributing Christmas packages to children in the poorest sections of town. In addition to a toy, our bags include items for personal hygiene, school supplies, and special foods that kids love.

Our mountain of cereal boxes (pictured) shows just one of the items included in the packages. We will be handing out 75 packages just in time to make Christmas a little more special for elementary-age kids.

We are also handing out packages of diapers, baby wipes, lotion, and other items for mothers of infants. Earlier this month, we partnered with a local teen sports program to distribute used clothing to impoverished families. Over 100 people lined up to receive free clothing.

The Best Gift Ever!

At a recent Bible study, **six teens made professions of faith!** The study is led by a young couple, Itan and Carla, who have tirelessly labored to bring the Gospel to the youth of Puerto Morelos. They are being mentored by our own

associate missionary, Jesse Fecundo. We are thrilled to have this young couple working with us!

A December Wedding

We were honored to attend our first wedding in Mexico, which took place in a Christian church. The bride is a part of our English-language class and her family are active church members. The ceremony lasted 90 minutes and included a full sermon. It was wonderful to know that we are no longer considered outsiders.

Donor of the Month: Hope Fellowship in Cumming, GA

We are especially thankful for the generous support of Hope Fellowship. Not only are they a faithful monthly donor, but they are also our sending church and they share our newsletter with all the members. Thanks, Hope Fellowship, for your essential prayers and constant encouragement as we minister in Mexico!

Prayer Requests

- Pray for Santa and Toño as they head to Mexico City for more reconstructive surgery on Toño's eye.
- Pray for the spiritual condition of the children who will be receiving our Christmas packages.
- Pray that God will continue to root out the many false doctrines being taught in our community.
- Pray for Jesse, Carla, Itan, and ourselves as we work diligently to bring the Gospel to the poor.
