

## Transforming Lives and Impacting Communities

That is the mission of Living Faith Ministries International in a nutshell. Rarely does a month go by that we don't stop and ask ourselves, "Are we making a difference here?" It is easy to point to the lives that have been physically saved (like Toño and Yamileht) thanks to the sacrificial giving of our donors, but spiritual transformation is more personal and often subtle.

For example, a young man met with us this week. He came to Mexico for the specific purpose of ending his life, but was invited to the midweek Bible study and God began to transform his life. Today he is a changed man- saved both physically and spiritually.

At times the workload is heavy and the needs seem overwhelming. Today, before I could finish my coffee, I got three texts from Mexican families experiencing a crisis. I grumbled to my wife, "I don't know why they always call me." She gave me that look and said, "Because they know that you care enough to help them."

**Just like we know that you care enough to help us in our work here with your prayers and donations.**

## Prayer Requests

- The spiritual growth of our new believers
- Yamileht's and Toño's continued recovery
- Those displaced by Hurricane Otis
- A building of our own to use as a Ministry Center
- Protection of believers against the growing power of the cartels.
- Volunteers to help with the ministry
- Strength to hold up with our workload

**"The Gospel is proclaimed to the poor."  
Luke 7:22**

## A New Worker For the Ministry

“ As more and more Spanish-speakers are joining our church and midweek Bible study, our limited language skills have become more and more of a hindrance. Therefore, we are thrilled to welcome Jesse Jay onboard at Living Faith Ministries International. In addition to being a dedicated Christian and gifted Bible teacher, Jesse is fluent in English and Spanish. Coming on as a part-time missions associate, he will be providing translation for our English-language Bible studies, teaching Spanish-language Bible studies, and greatly assisting us in our ministry to the poor by translating and sharing the Gospel in Spanish.

## A Day at the Beach

Any reason is a good reason to spend the morning at the beach- even if it is to collect trash! We joined with fellow Christian organization, Freedom Connect, to minister to the community by picking up trash along the coast near the port. Many of those who came to work are believers and it was a joy to work alongside them. Others came out of a desire to give back to the community and received the Good News of Jesus Christ as they worked. Local residents expressed their appreciation and learned about the greater ministries being done in PM.

## Donor of the Month

A special thanks to **Duane Jackson** of California, our donor of the month. His generous donation ensured that we were able to provide urgent, life-saving medical care to a desperate family in our community.

Our donors transform lives!

## You can be a life-changer!

Whether helping families displaced by floods or bringing salvation to a former drug addict, your donations can change lives all over the world.

**Become a monthly donor.**
